2018 Brut: Crocker & Starr was founded on passion, purpose, and the belief that transformations are the force behind creativity. In celebration of our history and vision for the future, we bring a second version of this new dimension with a Brut sparkling wine. In France, Brut means dry champagne; however, there are several levels of Brut based on sugar and acid components. This 2018 Brut is a classic combination of Chardonnay and Pinot Noir.

Tasting Notes: The pretty, light straw color draws you to aromas of fresh pear, yellow apple, honeysuckle and a hint of warm bread. Flavors are full with crisp pear-apple, savory beeswax, and a long finish with great stony minerality.

2018 Harvest Report: The near picture-perfect growing season began in late February. Spring was mild, with extended flowering yielding uniform grape clusters and almost normal crop load. Temperatures remained steady and warm throughout the growing season, without any significant heat spikes. The resulting wines have excellent acid retention and length of flavors.
