

For Charlie and Pam, 1 post symbolizes more than a landmark San Francisco address. In that iconic building, over two decades ago, the Crocker & Starr partnership was sealed with a handshake. A meeting of the minds that created an historic 'bridge' between San Francisco and Napa... 1 Post – a small lot 100% Cabernet Sauvignon from the Estate's heritage vineyard blocks... celebrates the genesis of Crocker & Starr.

2021 Cabernet Sauvignon '1 Post'

Bottled July 2023, 315 cases

SRP: \$250

Press: 97JD, 96WE, 95WA

2021 Harvest Report

The 2021 season was one of exceptional quality and will be remembered for low yields with intensely flavored, small grapes and incredible color. Here in St. Helena, rain started in January and then almost no notable precipitation for the rest of the season. Budbreak was early April followed by May bloom. The summer saw early and even ripening throughout. Harvest started on August 13th, picking Sauvignon Blanc and finished with the last red grapes coming in September 27th. Overall, the 2021 Crocker & Starr wines are showing brilliant concentration with intense color, which will lead to full-bodied, age-worthy wines.

Tasting Notes

Made from 100% Cabernet Sauvignon heritage clones from our estate Block 1, this wine boasts intense aromas of currant, black cherry, dark chocolate, cinnamon, and anise. A silky entry leads to a broad, rich, and bright flavor profile of black cherry, boysenberry, and cacao, with full, fine tannins that carry the flavors through a very long finish. Decanting this great Cabernet will make this wine sing right now; however, this vintage will age for decades to come.

Notes From our Friend Jeb Dunnuck: *Easily the finest wine in the lineup from this terrific estate (although all these wines are beautiful), the 2021 Cabernet Sauvignon 1 Post comes all from St. Helena and is 100% Cabernet Sauvignon brought up in 90% new barrels. It has a quintessential bouquet of ripe currants, cassis, spicy oak, dried flowers, and chocolate, and it opens up beautifully with time in the glass. Full bodied on the palate, it shines on all accounts and has remarkable balance, a pure, layered, elegant mouthfeel, fine tannins, and a great finish. It's already approachable, yet I suspect it will benefit from 2-4 years of bottle age and see its 20th birthday in fine form.*
