Produced in our Napa Green Certified Winery

Release Date: July 2025

Harvest Date: September 1, 13, 15 2022

Bottled: June 2024, 345 cases

For Charlie and Pam, 1 post symbolizes more than a landmark San Francisco address. In that iconic building, over two decades ago, the Crocker & Starr partnership was sealed with a handshake. A meeting of the minds that created an historic 'bridge' between San Francisco and Napa... 1 Post – a small lot 100% Cabernet Sauvignon from the Estate's heritage vineyard blocks... celebrates the genesis of Crocker & Starr.

Gone Green

As a **Certified Napa Green Vineyard & Winery and Fish Friendly Farming** operation, we follow regenerative practices to reduce our carbon footprint. Efforts include an electric tractor, sheep grazing for cover crops, insect-friendly habitats, no-till farming, and a yearly farm plan. We also maintain an employee garden, employ no-entry tank rule for safety, adopt labor-saving equipment, and reduction in glass bottle weight; all to protect the land, preserve biodiversity, and craft wines with lasting integrity.

2022 Harvest Report

The growing season began with budbreak end of March followed by flowering in May during a slight warm trend. Preceded by fun-weather summer weather, September saw a heat wave with temperatures soaring past 100°F for several days. Misty rains in Block 1 saved some of our most prized Cabernet. Ideally, our black grapes are harvested over a period of 4 to 6 weeks. However, with temperatures soaring, we harvested all of our black grapes 5 days! The diligence and speed of our night picking crews delivered early morning grapes which we immediately stored in our 55 F cellar until processing. The magnitude of friends and family assisting coupled with our specialized sorting equipment saved quality the very small yields. The result of all these efforts are wines with beautiful balance and structure.

Tasting Notes

A commanding yet polished expression of estate Cabernet Sauvignon, the 2022 '1 Post' opens with vibrant aromas of black cherry, ripe currants, and warm baking spice. The palate is richly layered with notes of dark chocolate, graphite, and a hint of leather. Silky, integrated tannins provide structure and finesse, offering balance and elegance. While approachable now, this wine has the concentration to cellar beautifully for 15+ years.

At the heart of Crocker & Starr is our Vineyard Experience:

Touch the Vines...Taste the Wines
