Appellation: St. Helena & Calistoga, Napa Valley

Winemaking: Fermented and aged sur lies for 9 months in 88% stainless steel barrels, 7% concrete eggs, and 7% French oak.

Production: 1,166 cases

What is A.V.A.?

A.V.A. stands for American Viticultural Area, and for us, it represents the culmination of sustainable viticulture, the resurrection of our 1870s winery, and classic winemaking. The bouquet on the front of our label ties into our rich history, as both it and our 1870s Victorian estate home originated from

Sears & Roebuck catalogs. Our A.V.A. Napa Valley blend of Sauvignon Blanc serves as the perfect introduction to the Crocker & Starr wine portfolio. Our winemaking team captures the finest characteristics of this diverse grape variety through sustainable and regenerative winegrowing practices. The result is a Sauvignon Blanc crafted for both the hedonist and the sophisticate.

Gone Green

As a **Certified Napa Green Vineyard & Winery and Fish Friendly Farming** operation, we follow regenerative practices to reduce our carbon footprint. Efforts include an electric tractor, sheep grazing for cover crops, insect-friendly habitats, no-till farming, and a yearly farm plan. We also maintain an employee garden, employ no-entry tank rule for safety, adopt labor-saving equipment, and reduction in glass bottle weight; all to protect the land, preserve biodiversity, and craft wines with lasting integrity.

2024 Growing Season

The 2024 vintage may very well be the vintage of the decade. Abundant winter rains replenished the soils, laying the foundation for healthy vine growth. Though the 2024 growing season was one of the warmest on record in over 40 years, a fully developed canopy provided ample protection for the grapes, preserving their freshness and acid balance. The result: grapes with exceptional color, texture, and concentrated flavors. Layer upon layer of complexity defines this vintage, promising wines of remarkable elegance and longevity. We couldn't be more excited—stay tuned!

Tasting Notes

An attractive light blond color draws you in with vibrant aromas of lime and tangerine blossoms, fresh Meyer lemon, and a hint of seashell minerality. The palate delivers on these promises, bursting with juicy flavors of key lime, lemon meringue, and a subtle touch of vanilla. Perfectly balanced natural acidity elevates the wine, carrying its bright, layered flavors to a medium-long finish of remarkable depth and vibrancy. This is truly a white wine for all!

At the heart of Crocker & Starr is our Vineyard Experience:

Touch the Vines... Taste the Wines
